

SEATTLE CENTER TRANSPORTATION COUPON INFORMATION AND BILLING SHEET

Dear Coupon Parking Patron:

Thank you for your interest in the coupon parking program at Seattle Center. The following information is provided for your use.

The Transportation Services office must authorize all parking coupon programs and coupon parking requests should be made at least 2 weeks in advance of your need.

Coupon parking rates vary between \$13.00 and \$20.00 and price is dependent on parking demand at Seattle Center. We will bill your organization at the agreed upon rate for the number of coupons used. There is a minimum charge of \$500.00 per day for each of our locations: Mercer Street, First Avenue North and 5th Avenue North Garages. We will also bill you for coupons ordered at the rate of \$0.05 each as well as shipping and handling.

Please complete the attached submission form and contact one of us for further assistance.
